

Southern Illinois University Carbondale Center for Service-Learning & Volunteerism (CSLV)

Dear Student: We welcome your participation in Saluki Volunteer Corps (SVC). As an involved student, please read this guide to learn of the policies that guide the program. The policies are based on the federal Higher Education Act as it pertains to community service.

When a student contributes time and effort directly to help a non-profit entity, it is community service (these are examples, not a full list)

- tutoring/reading to children at a local school or after school program
- preparing food boxes and distributing them at a food pantry
- reading news for the visually impaired at Southern IL Radio Information Service

Community service does NOT include (these are examples, not a full list)

- RSO meetings, or distributing program or event flyers
- writing letters, chalking, playing games, car washes or event planning

Before the start of community service:

- Check the list of approved volunteer opportunities available at www.cslv.siu.edu. Students volunteering at non-approved events will not receive service hours.
- Call the community agency to notify them of your participation. Provide name, email and specify the event that your or your RSO plan to help.
- Pick up the SVC documentation forms found at: www.cslv.siu.edu. Students will only receive service hours when submitted on the official documentation sheet and signed by the community agency staff.

ATTENTION STUDENTS:

- IGC chapters and RSOs: submit form to Office of Student Engagement in their new location, Student Center, 3rd floor, Room 318.
- Honors Program: submit forms to Honors Office, Morris Library, Room 110.
- Chancellor's scholars: go to the Chancellor's Scholarship Program course shell in D2L (online.siu.edu). Fill out the appropriate service form (in the Service Hours folder), and upload a photo of your CSLV form in space provided. Those also in the Honors Program should submit the paper copy of their service form to that office as usual.
- Sustainability: contact the Sustainability Office at sustainability@siu.edu to register as a student interested in the Environmental Ambassador Award. You will receive more instruction for tracking hours.

***Center for Service-Learning & Volunteerism, 491, Student Services Building.

WSIU Public Broadcasting, Education and Community Engagement Services

Date: Volunteer opportunities are available Year Round and for Special Events.

Contact person and phone: Beth Spezia, preferred contact method is email at outreach@wsiu.org

Volunteer Responsibilities: Various ongoing and special event opportunities are available for volunteers who are interested in WSIU's education and community engagement services. We interact with teachers, parents, and children in libraries, schools, and community programs in Southern Illinois on a year-round basis. Volunteers will learn about regional culture while bringing PBS KIDS content such as online games, mobile apps, reading, math, science, and arts content to families during site visits around the region in the WSIU Outreach Van. Performance opportunities in PBS KIDS character costumes, such as Cat in the Hat and Super Why, are available. Saluki Volunteers and Registered Student Organizations are welcome! Photography and video production assistants are needed. Support WSIU's Community Cinema public screening series of diversity films. Media, Theater, and Education majors are especially welcome. Orientation to WSIU Public Television and Radio is required. Professionalism is expected. Transportation provided as needed. Students will gain more value from their experience with WSIU by repeating volunteer activities throughout the semester.
